Who are the visits for?

School children of all ages who are interested in seeing a working sheep farm

When can we visit?

Any time of year by appointment

Length of visit

A minimum of 2 hours

Cost of visit

The visits are free of charge to school children

How many?

Suggest a maximum group of 15 but open for discussion

Facilities

One outside toilet on site and hand washing facilities are available in the farm house

Parking is available on site for vehicles no bigger than a minibus, there is a car park for larger vehicles, and also a toilet block, within walking distance of the farm, the farm is within walking distance of the Peak Centre.

Disabled access is possible in many areas of the farm.

What to wear

This is a working farm and we will be outdoors or in a very open farm building so please make sure you bring suitable clothing and footwear for the weather conditions.
